Hire a contractor to demolish the existing fire station and construct a new Police and/or Fire Department Facility

This will complete the first phase in Kaplan's long term goal of housing its Police Department, Fire Department and City Court in one centralized location to better serve its citizens. The funds from this program, along with funds received from the Capital Outlay Program and a local match from the City, will be used towards the demolition of the existing fire station and the construction of a new Police and/or Fire Department Facility.

## **Business Plan**

Narrative Justification for Plan B or Plan C
Act 19 of 2008 20-945

## City of Kaplan

The City of Kaplan is justified in requesting Plan C ("Payment of 100% of the line item appropriation shall be made to the Contracting Party in advance of purchasing equipment or other similar expenditures...") for the following collective reasons:

- 1) Due to the rapidly approaching June 30, 2009 deadline by which to expend the \$137,750 direct appropriation
- 2) The City of Kaplan has obligated a local match of \$300,000 towards the funding needed to complete the objectives outlined in this Cooperative Endeavor Agreement.
- 3) As a result of numbers 1 and 2 above, the City of Kaplan does not readily have an extra \$137,750 at its disposal at this time.
